Administrative Law | Appellate | Judicial Review

Prior to the Bar, Cameron was a Senior Associate at Corrs Chambers Westgarth in the projects disputes and arbitration team. He also served as an associate to the Hon Justice Stynes in the Technology, Engineering and Construction List of the Victorian Supreme Court.

As a solicitor, Cameron worked on complex technical disputes across a range of projects, from large-scale infrastructure to domestic building matters. He also acted for the Victorian Legal Services Board in a variety of bankruptcy and judicial review proceedings.

Cameron holds Bachelor's Degrees in both Civil Engineering (Hons) and Laws (Hons) from Monash University. He is a published author in the Building and Construction Law Journal, and the winner of several national and university-wide mooting competitions.

Cameron is reading with James Waters and his senior mentor is Robert Heath KC.

Liability limited by a scheme approved under Professional Standards Legislation.
